

# RECIPE

TITLE: *Watermelon Mojito*

Prep time: 15 Min

Total time: 15 Min

Yield: 4 Glasses

## DIRECTIONS

In a blender, puree watermelon in small batches. Pour through a strainer, pushing liquid through and discarding any remaining solids. In a large container, combine mint, sugar and lime. Muddle the mint, juice, and sugar until sugar is dissolved. Add watermelon juice and rum. Fill a container with ice, and stir to combine. Serve over ice with mint sprigs

## INGREDIENTS

1/2 small, seedless watermelon

4 tbsp granulated sugar

20 fresh mint leaves

1 lime, cut into wedges

1 1/4 cups white rum
